Primary Care Referrals for Musculoskeletal Physiotherapy

	Pelvic Health	Physiotherapy	Specialist
Who?	<ul style="list-style-type: none"> Pelvic health physiotherapy is the therapeutic treatment of disorders affecting the pelvis and the pelvic floor. 	<ul style="list-style-type: none"> Tried GP or self-management strategies without success Further support needed due to complexity of MSK condition. <p>Anyone aged 16 and over who is registered with a GP in Cambridgeshire or Peterborough</p>	<ul style="list-style-type: none"> Physiotherapy should have been attempted before referral to specialist service (if clinically appropriate.)
Exclusions?	<p>Not available through DynamicHealth for Peterborough (this service is provided by secondary care)</p>	<ul style="list-style-type: none"> Non-MSK condition e.g. podiatry referral for diabetic patients, neuro-related conditions, falls assessment Housebound patients. Suspected or known fracture (that has not been assessed in secondary care prior to referral). 	
How?	<p>Refer via eRS by searching for pelvic health physiotherapy or pelvic health physiotherapy continence service.</p>	<p>From 1 March 2019:</p> <p>Refer via eRS using one Directory of Service called DynamicHealth MSK Physiotherapy Service.</p>	<p>Refer via eRS using Directory of Service depending on your locality, e.g. Huntingdon.</p>
<p>Set up as a virtual triage system (dummy appointment system) - this is not an appointment the patient needs to attend.</p>			
Notes	<p>The specialty comes under gynaecology and is based at Brookfields</p>	<p>From 1 April 2019, our physiotherapy service will ONLY accept referrals from primary care via this new process. Any referrals received via email or by post after this date will be rejected.</p> <p>If you are referring a patient (both specialist and physio) for more than one reason/body area AND you believe the two or more issues are not linked, we will require separate referrals.</p>	<p>We are simplifying this from four to one Directory of Service called DynamicHealth MSK Specialist Service.</p>
