If you are interested in applying, please contact Kathryn Caley via kcaley@nhs.net

GP RETURN TO PRACTICE ENHANCED INDUCTION PROGRAMME

Are you a GP practice interested in a funded short term role supporting GPs who have been out of practice to gain confidence and experience again? CPTH is offering funding for an enhanced induction to include 10 clinical sessions over 2-4 weeks at a GP practice in the training hub area.

Click [here](#) for more information and to register your interest as a potential returner or to offer to support a returning doctor.

STAFF SUPPORT HUB FREE CALLBACK SERVICE

The Staff Support Hub are offering a free support call back service for all staff who are absent from work for more than 7 days due to sickness. For the process and further details, please [click here](#). Alternatively, as part of the Enhanced Occupational Health Pilot, Primary Care staff have 24/7 access to a free confidential helpline and counselling service via HELP. Further details can be found [here](#).

FELLOWSHIP IN GENERAL PRACTICE

The Fellowship offers a 2-year programme of support for newly qualified GPs and GPNs beginning careers in General Practice. **Applications can be submitted for any new or already in post GP or Nurse, who qualified within the last 12 months and who is employed in a substantive role.** Funding to practices has increased, with backfill now paid at the rate of salary + 30% uplift for on-costs, and there's an additional contribution towards the cost of in-house mentoring for GPs on the scheme. GP Fellows can find out more [here](#) and GP Practices [here](#).

DFSRH TRAINING SCHEME

Interested in the DFSRH? C&P Training Hub is delighted to be working with Dr Dee McCormack to launch a training scheme to support local primary care clinicians wanting to undertake the DFSRH and Letters of Competence for intrauterine techniques and sub dermal implants in Cambridgeshire and Peterborough. We have 10 fully funded places available for clinicians wanting to complete their DFSRH /LOC within the next 12 months.
