### Phoenix GP

APPLICATIONS CLOSE  
FRIDAY 4TH FEBRUARY 2022

We're excited that our Phoenix GP Leadership & Career Development programme for mid-career GPs kicks off on 24th February! A series of 6 evening sessions over 6 months with talks from inspirational GPs, dedicated skills workshops to focus on the challenges faced by mid-career GPs, plus Shapes and Strengthsfinder sessions.

APPLY NOW

### ILM 5 Coaching & Mentoring Training

Would you like to develop as a coach to support your peers or practice teams? We have a great opportunity for you to upskill and gain a recognised qualification. Next cohort commences in April 2022, applications close 21st February.

MORE INFO

### Coaching & Mentoring

WOULD YOU LIKE HELP TO FIND YOUR WAY FORWARD?

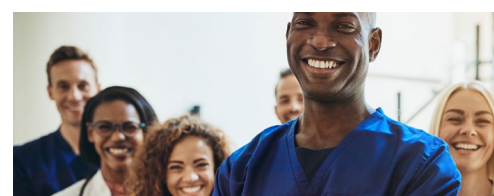

Are you thinking of leaving general practice? Are you questioning "what is next" for you or worried about returning to practice? Or are you simply in need of an opportunity for discussion in a safe environment? Training Hub's two GP mentors, Dr Susie Lister and Dr Sarah Ray, are available to offer supportive coaching and mentoring.

MORE INFO

### BringBaby Morning

We're holding a virtual BringBaby update morning on 24th March, aimed at supporting GPs in returning to work after parental leave or a career break. Join your peers to hear about recent updates within your profession plus topics including BLS and Managing the Sick Child.

MORE INFO

### GP Fellowship

How does up to 112 sessions of paid study leave in your first 2 years as a GP sound? GPs taking up a salaried post within 12 months of CCT can benefit from a combination of early career learning, mentorship, peer support and coaching, to help you develop clinical and leadership skills.
