Supporting GPs in C&P

training • career development • funding • resources

GP Leadership Grants

We now have a small number of grants available to support new and current leaders to update and develop their leadership skills. The grant can be used towards a programme of leadership study from our suggested list or of your own choosing, subject to approval.

Integrated Care Fellows Development Programme 2023

A quick reminder that applications close on Friday 23rd June for this one-year development programme, which aims to bring together primary care clinicians from the East of England to learn, work and develop solutions together. Designed for GPs (in first five years of qualifying), Nurses, AHPs, PAs, Pharmacists and other healthcare clinicians who work in General Practice.

Do you have a passion to develop and lead education within your PCN?

We have commissioned a bespoke 4-part educational leadership development programme delivered by Clare Morris and Tim Swanwick. They will work with you to dig deep into educational theory, helping to articulate the challenges you face and lean on the literature and others' expertise to help with finding solutions. We encourage applications from the multi-disciplinary team within a PCN.
