Funded Group Consultations Intensive Training Package

There is a strong rationale for a group clinic approach to managing chronic disease in primary care. Cambridgeshire and Peterborough Training Hub is developing a potential intensive support programme for interested PCNs to fully fund practice development support and training to introduce video group clinics (VGCs).

Limited places available. For details of the offer, please [click here](#).

Clinical Pharmacist Accelerator Programme

We still have places on the Clinical Pharmacist Accelerator Programme. This is a comprehensive training programme that helps Pharmacists accelerate their learning within a GP surgery sector up to level 2 of the CPA Pathway. For more information [click here](#).

Introduction to the Voluntary Sector

Do you have a passion to develop and lead education within your PCN?

We have commissioned a bespoke 4-part educational leadership development programme delivered by Clare Morris and Tim Swanwick. They will work with you to dig deep into educational theory, helping to articulate the challenges you face and lean on the literature and others' expertise to help with finding solutions. We encourage applications from the multi-disciplinary team within a PCN. To express interest in joining the Education Development pilot as a programme or as individual sessions, please [visit our website](#).

Educators & Learning Organisations

Becoming an Educator or Learning Organisation is a rewarding way of enhancing your skills and supporting the next generation of local Primary Care staff. Find out how we can help support you.
