LIVE Bespoke Webinar for Medical Professionals

In association with

**Cambridgeshire & Peterborough
Integrated Care System**

LIVE 'Hot Topics' Cancer for Primary Care Webinars

Tuesday 19th September 2023 2:30pm - 5:45pm

AND

Wednesday 22nd November 2023 2:30pm - 5:45pm

NB Medical is delighted to be working with Cambridgeshire & Peterborough ICS to provide you with two LIVE, fully interactive, Hot Topics Cancer for Primary Care webinars on Tuesday 19th September and Wednesday 22nd November 2023. Experience all of the same topics and resources as if you were attending a face to face course, but from the comfort of your own home or surgery.

The NB Cancer for Primary Care course will bring you right up to date with recent developments in cancer care. Designed and written for anyone managing cancer patients in General Practice, this course will enable you to deliver optimal, evidence-based care for your patients.

You will also receive a certificate of completion awarding 3 CPD points for each session you attend.

For more information please contact: Tel: (0191) 5197293 Website: www.nbmedical.com

ENROLMENT INFORMATION

WEBINAR INFORMATION

These webinars will take place on practice half closure days for CPICS to enable you to sign up and attend.

- Tuesday 19th September 2023
- Wednesday 22nd November 2023

Each session will start at 2.30pm and finish at 5.45 pm with a 15 minute break.

Single registration for both interactive webinars which we encourage you to join.

Access to the webinars is via the NB Dashboard.

Attendance includes the course book, access to the online course book and webinar recordings on demand for 12 months.

ARE YOU ELIGIBLE?

These webinars are open to GPs, GP registrars, advance nurse practitioners, emergency care practitioners and/or all clinicians who consult with patients who may or have cancer. If you are a locum GP, please enter the details of the practice where you are currently working when registering.

COURSE INFORMATION

OVERVIEW

The “Hot Topics” course consists of a series of short ‘TED-style’ engaging presentations blending evidence and cases, followed by discussion which may have an impact on your practice. The course comes with a number of extra resources to give it incredible ‘added value’

COURSE REFERENCE BOOK

Prior to the first event, your course reference book will be posted to your address. The book is fully referenced with recent summaries of the evidence related to cancer conditions commonly seen in primary care. All of the material is up to date and the material is completely 100% independent from any external influence.

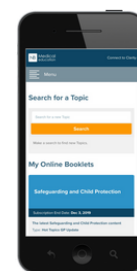

ONLINE CONTENT

12 months access to the on-line electronic version of the book which is instantly searchable. All the original references and resources for GPs (e.g. links to on-line clinical calculators) and patients (e.g. patient information leaflets) are hyperlinked and just one click away.

NB MEDICAL APP

The NB Medical App giving you access to the content from your course day in a fully searchable mobile friendly format on both iOS and Android devices.

UPGRADE TO INCLUDE NB PLUS

You can upgrade your order to include **NB PLUS**

NB PLUS includes:-

- **All** current NB Medical Course Webinars
- **PLUS** NB Learning CPD Modules
- **PLUS** Safeguarding and Child Protection Update
- **PLUS** Online Basic Life Support

You don't need to go anywhere else for your annual CPD

FURTHER INFORMATION

If you need any further information please contact us here at NB Medical Education on Tel: (0191) 5197293 or via email: hottopics@nbmedical.com
