

ADVANCED PRACTICE INTIMATE EXAMINATIONS WORKSHOP

Due to popular demand, we are holding another workshop for intimate examination skills: breast/testicular/ rectal/ bimanual/vulval examinations. Led by specialists in the field to maximise learning and skills provision.

Priority will be given to trainee ACPs. Open to newly qualified ACPs or a refresher for experienced ACPs.

To reserve your place RSVP to candptraininghub@nhs.net using 'intimate examination workshop' as the subject title.
