The Training Hub delivers an extensive range of innovative training and development opportunities, developed and delivered by a multi-professional team of dedicated and creative clinical educators with primary care expertise.

Focusing on building strong relationships and trust within the General Practice community, we have fantastic engagement as evidenced by the uptake of offers and the reach of our newsletters. Our website has become the 'go to' place for education, training and information for the General Practice workforce.

Workforce data shows our flagship fellowships have had measurable impact on staff recruitment and retention, bucking the national and regional trend.

This is a fantastic opportunity for a dynamic and experienced Manager to lead our high performing team as we move into the next phase of delivery, looking to the NHS workforce 10-year plan. Our strong reputation locally puts Cambridgeshire and Peterborough Training Hub in a unique position as a strategic enabling partner within the ICS to support General Practice to attract, support and develop its staff.

If you are a strategic thinker with a commitment to improving healthcare outcomes through education, we invite you to join our team and make a meaningful impact on the future of primary care.
