## Welcome to C&P for New GPs

**Wednesday 18 March, 09:30-16:00 (Delta Marriott Hotel, Huntingdon)**

We are delighted to once again offer this one-day workshop which aims to arm new GPs with the knowledge they need to launch themselves confidently into their post-CCT career. With local speakers discussing essential topics and offering focused, valuable information and advice, practical tips and take home messages, this event will support GPs nearing CCT or who have CCT'd within the last 12 months, to make the most of local opportunities and thrive as a GP in Cambridgeshire & Peterborough general practice. For more information and to book, [click here](#).

New date!

## Creating Connections, Sharing Best Practice - Pharmacy Event

**Tuesday 10 February** - Keynote Speaker, Kevin Fernando

This is a key annual event designed to bring together pharmacy professionals from across the system to share best practice, build networks, and support professional development. The day, which will take place at the Delta Hotel Huntingdon, will include sessions focused on clinical development, quality improvement, and service delivery, alongside opportunities for colleagues to learn from one another and feel connected to the wider pharmacy workforce. To book, please [click here](#).

## Cervical Sample Takers - eLearning For Healthcare training update

Sample takers must undertake 3-yearly update training to maintain competency in cervical sample taking, through face-to-face training with an accredited training provider or by the e-Learning for Healthcare (e-LfH) NHS Cervical Screening Programme 3-year update training module. We are aware that this module is currently out of date and therefore recommend that you familiarise yourself with the NHS webinar held on 12 June 2025 which includes information on the policy changes. Find out more [here](#).

## Strengthen Public Sector Senior Leaders Discovery Workshop (Cambridge)

**25 February, 10:00-16:00**

Strengthen's Discovery Workshops empower individuals and teams to identify their strengths, leverage them effectively, and embed a strengths-based mindset into their work. For more information about Discovery workshops [click here](#). To register for this event [click here](#).

## Safer Recruitment

**Thursday 26 February, 13:00-14:00**

This web workshop is for Practice Managers, Assistant Practice Managers and Business Managers wanting to understand how to do safer recruitment within General Practice. Delivered as an interactive session with practical guidance to enable participants to map the techniques and outcomes onto their own practice. [Click here](#) to book.

## Fully Funded Mary Seacole Programme - CMI

The Mary Seacole programme offers nationally consistent, entry-level leadership training for practice managers, nurses, PCN managers, community pharmacists and early-career GPs. It builds confidence, core leadership skills, and resilience - strengthening succession planning and stabilising neighbourhood teams. Starts February/March 2026 for 10 months. [Register your interest here](#).

The **NHS Knowledge and Library Hub** is a **FREE** resource that connects NHS staff and learners seamlessly to a range of high-quality knowledge and evidence resources all in one place. [Click here](#) to visit.

## General Practice Clinical Pharmacists (GPCP) Levels, Training & Development

If you are in a **Pharmacy Professional** role (Clinical Pharmacist or Pharmacy Technician) we have funding available to support your professional development with a 75% contribution (capped at £250) towards training or qualifications.

Apply here!

CPTH offers **Coaching and Mentoring** for a variety of general practice roles. We also have a small team of Professional Advocates available for restorative clinical supervision, career conversations or improvement project support. Click on the buttons below to find out more.
