Practice Management Development: Foundation Programme

New!

The Practice Management Development: Foundation Programme is designed to prepare individuals for management roles within general practice. As the healthcare landscape evolves, the roles involving Practice Management are critical in ensuring smooth operations, compliance, and high-quality patient care. This programme provides structured learning, practical experience, and mentorship to help participants develop the skills and confidence needed to succeed.

Deadline: **Wednesday 04 February (5pm)**. For more information, please [click here](#).

ARRS GP Support & Development Programme

We are excited to launch our new and improved ARRS GP Support & Development Programme, offering access to education, mentoring and peer support for GPs employed under the Additional Roles Reimbursement Scheme (ARRS) in Cambridgeshire and Peterborough practices. Limited places available.
