

# GP SUPPORT AND DEVELOPMENT UPDATE

## Belonging in Practice Webinar Series

A new series of 6 virtual workshops for staff working in General Practice in Cambridgeshire and Peterborough. Designed to support GPs and General Practice leaders to understand how identity, inclusion and workplace culture impact on wellbeing, retention and career progression, and to build a connected, inclusive community for all. [Click here](#) to find and book workshops.

## ARRS GP Support & Development

A new enhanced Support and Development programme to address the unique circumstances and challenges faced by ARRS-employed GPs. Available for up to 18 months, including tailored education, mentoring, coaching, and peer support. [Click here](#) to find out more.

## GP Professional Development Grant

CPD funding is available to support GPs in C&P to develop an area of special interest that benefits General Practice and supports career progression. We provide CPD grants of up to £3,000 towards an approved programme of study. [Click here](#) for more details.

## First 5 Offers

- Fellowship scheme
- First 5 peer whatsapp groups
- Welcome to C&P Induction for newly qualified GPs

## Career Break Support

Tailored support programme available to any GP taking a break from C&P General Practice. The package offers flexible support at any career stage. [Click here](#) for more info.

## GP Return to Practice

Funded short-term induction placements to support GPs returning to clinical practice after a break of 6–24 months. Includes up to 10 clinical sessions, protected 1:1 mentoring and a bespoke induction plan. The programme supports both returning GPs and practices looking to recruit or retain doctors. [Click here](#) to find out more.

## Educators and Learning Organisations

We provide information and resources to support educators and learning organisations in Cambridgeshire & Peterborough, including our Supporting Future Educators programme. [Click here](#) for more info.

**Coaching and Mentoring for GPs:** Funded mentoring available with CPTH's mentoring team. [Click here](#) to find out more.

**GP & ACP Education Programme:** Monthly education to stay current, stay confident, and learn together. Find dates [here](#).

**GP Peer Book Club:** Monthly book club for C&P GPs, discussing books to inspire and enrich. [Click here](#) for more information.

**Monthly CPD Bulletin:** [Click here](#) to join the Cambridgeshire GP WhatsApp group for monthly highlights to support appraisal.
