Work with us - Paramedic Preceptorship Facilitator

C&P Training Hub are looking for a Paramedic with 3 years plus experience of working in Primary Care and an enthusiasm for education to work with us for 4 to 6 hours per month. The role involves facilitating a monthly peer support session for paramedics new to Primary Care (Preceptees) and ensuring the online learning resources are up to date and continue to meet the development needs of the preceptees. The hourly rate is equivalent to Agenda for Change Band 8a. For more details or if you are interested in discussing this opportunity, please contact Kathryn Caley (Lead Nurse) Email: kcaley@nhs.net

Digital Support & Training

We have a Digital Support page on our website detailing the digital training offer to support Practice and PCN staff in developing competencies and proficiency in digital tools, including clinical reporting, data use, and wider digital transformation and integration. Belonging in Practice Workshop 4

Working with Disabilities or Long-Term Health Conditions

Wednesday 29 July, 12:30-13:30

This session addresses visible and invisible disabilities, fluctuating health conditions, stigma and rigid GP systems that contribute to attrition. It focuses on retention through flexible working models, sustainable job planning, portfolio careers and challenging narrow narratives around resilience. Practical discussion will centre on reasonable adjustments that support long-term contribution rather than burnout or exit.

Summarising Medical Records Virtual Training

Thursday 10 September, 09:15-12:30

Good summarising reduces the need to access the patient's paper records, reducing time and enabling the patient to receive the most appropriate level of care in a timely manner. This detailed session discusses the purpose and importance of summarising. It explains how delegates can summarise effectively to ensure records are accurate, thereby providing a true reflection of each patient's healthcare history. Please [click here](#) to book.
