Supporting Future Educators – Cohort 11

Final 2 places available on our latest cohort! If you are looking to become a GP Educator, find out how our Supporting Future Educators (SFE) programme can help guide you through the blended learning. [Click here](#) for more information and to apply.

C&P Training Hub Job Opportunities

Paramedic Preceptorship Facilitator

We are looking for a Paramedic with 3 years plus experience of working in Primary Care and an enthusiasm for education to work with us for 4 to 6 hours per month. The role involves facilitating a monthly peer support session for paramedics new to Primary Care (Preceptees) and ensuring the online learning resources are up to date and continue to meet the development needs of the preceptees.

Closing date: 21st August. For more info and how to apply please [click here](#).

Clinical Educator (Social Care)

Do you want a rewarding opportunity that makes the most of your experience? We are looking for a nurse with experience in Social Care and enthusiasm about supporting learners in practice. Successful applicants will be adapting and establishing our award-winning blended placement model in Nursing Care Homes and developing new placements for adult and mental health branch students.

Closing date: 21st August. For more info and how to apply please [click here](#).

ACP/GP Lunch and Learn – GLP-1 Prescribing

Tuesday 25 August, 13:00 - 14:00

Speaker session led by **Dr Jessica Randall-Carrick** covering:

Eligibility and exclusion criteria, contraindications, monitoring requirements and considerations relating to HRT and contraception. Please [click here](#) to book.

What's in the EDI & B Spotlight this month?

Belonging in Practice Workshop 5

LGBTQ+ - Authenticity, Safety and Visibility

Wednesday 26 August 2026, 19:00-20:30

Focusing on psychological safety and authenticity at work, this session explores decisions around being 'out' in the workplace, experiences with patients and colleagues, faith-based tensions, and leadership visibility. **To book your place [click here](#).**

([Click here](#) to find and book other workshops in the series.)

Pride in Practice Programme

We still have an opportunity for practices in Cambridgeshire & Peterborough to apply for a funded place on the LGBT foundation Pride in Practice 12-month programme. The Pride in Practice programme provides training, an accredited award as well as ongoing support and resources. Find out more and apply [apply here](#).

[Visit our website here](#) for helpful information to support general practice staff to settle into C&P.

If you or your practice have an EDI&B success story you would like to share, get in touch via candptraininghub@nhs.net

Digital Support & Training

Visit our Digital Support web page to find out how we can support Practice and PCN staff in developing competencies and proficiency in digital tools, including clinical reporting, data use, and wider digital transformation and integration.

Specialist Community Nursing (General Practice Nursing) Course

We are delighted to offer three sponsored places on the Specialist Community Nursing (General Practice Nursing) course, a 52-week, full-time programme leading to the Community Nursing Specialist Practice Qualification (SPQ). With a 50/50 split between academic study and practice-based learning, the course provides nurses with the knowledge and skills required to deliver specialist care and support for people in their own communities, and to influence the health of population. It also provides a bridge to Advanced Practice. Applications close 27/8/26.

Red Legs: Inflammation or Infection?

Thursday 03 September, 09:00-11:00 at Brampton Park

This 2-hr in-person session is aimed at Nurses, Paramedics and Nursing Associates and covers understanding the difference between inflammation and infection, understanding infection at a cellular level, recognising clinical signs of lower limb infection and completing an assessment, knowing the investigations needed and how to interpret them. [Click here to book](#).

Induction Programme for Staff New to General Practice

Monday 07 & Tuesday 08 September

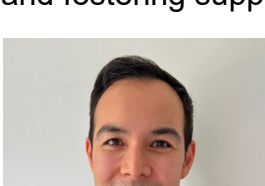

The aim of our induction programme is to support your local Practice induction by providing a consistent and comprehensive introduction to working in Primary Care. The programme runs bi-monthly and is for any staff new to General Practice.

To book please [click here](#).

New GP Clinical Engagement Leads

We're delighted to welcome Dr Dylan Golach and Dr Emma Hamilton to the C&P Training Hub team. These new GP lead roles have been created to enhance collaboration with practices, ensuring clinical perspectives help shape our programmes and priorities, and support the development of a skilled, sustainable workforce for the future.

Emma, our new GP Clinical lead for the North, is a Peterborough GP and one of the Training Programme Directors (TPDs) for the Peterborough GP Specialty Training Scheme, where she also has additional responsibilities supporting international medical graduates. Emma is passionate about education, training and fostering supportive professional networks.

Dylan, our new GP Clinical lead for the South, is a GP Partner in Cambridge with a passion for primary care, medical education, and innovation. As a GP Trainer and former Deputy Training Programme Director for the Enhance programme, he is committed to supporting and inspiring future clinicians. Dylan enjoys exploring how technology can enhance patient care, improve clinical practice, and transform medical education.

Mandatory Training on Learning Disability and Autism

As the demand for places on the Mandatory Training on Learning Disability and Autism has eased, places are now bookable on a first-come, first-served basis, with no restrictions on places per practice on any one session. Dates available in Sep, Oct and Nov. [Click here](#) to find and book.

NHS College of Leadership and Management

NHS England has launched the new NHS College of Leadership and Management, alongside the NHS Leadership and Management Framework, marking a significant step towards strengthening and professionalising leadership and management across the NHS. The College will serve as the national home for leadership, management and talent excellence, supporting leaders and managers at every stage of their career journey.
