

What's in the EDI & B Spotlight this month?

EDI Discovery Week – October 2026

We're delighted to introduce the first C&P Training Hub EDI Discovery Week and we are expanding beyond general practice to welcome colleagues from across neighbourhood teams and partner organisations. In five engaging lunchtime sessions, we'll explore how equality, diversity and inclusion help patients and staff feel they belong and thrive. Hear lived experiences, discover practical approaches, and gain valuable insights to take back to your workplace. [Find out more here.](#)

Pride in Practice Programme

There's still time this year to take advantage of a funded place on the LGBT Foundation's Pride in Practice programme. The 12-month programme provides training, an accredited award as well as ongoing support and resources. Find out more and apply [here](#).

[Visit our website here](#) for helpful information to support general practice staff to settle into C&P.

If you or your practice have an EDI&B success story you would like to share, get in touch via candptraininghub@nhs.net

Aspire: A Development Programme for Future Leaders and Managers

Leadership starts with potential, not a job title. Aspire is a supportive and inclusive programme open to colleagues working in C&P general practice, neighbourhood health and care teams, and the voluntary and community sector. You'll gain the skills, confidence and connections to grow your leadership and management potential and make a positive difference in your community. We value diverse perspectives because great leadership comes in many forms. Apply today and discover what's possible. [Click here](#) to find out more.

Also coming soon! Transforming Care through Leadership
