Multi-Professional PCN Learning Organisation (MPLO)

T&C's

Part 1: What can I expect after applying to become an MPLO?

You will need to submit your application via this link by 30 Nov 26.

Following submission:

The visit: The Training Hub Quality Team will contact you to arrange a virtual visit for any practices not already approved as an individual Learning Organisation.

- It will take approximately 1 hour
- It will include a virtual site tour and a short interview
- Visits are usually scheduled on a Tuesday
- The visiting panel will typically include: Training Hub Quality & Expansion Lead, C&P Associate Dean and Training Hub Lead Nurse or ACP Ambassador

After the visit: A recommendation will be submitted to the Primary Care School at the next available monthly Regional Quality Outcomes Panel.

- You will receive confirmation of the outcome from the Training Hub Quality Team in the month following the QOP.
- Details will be provided for you to raise your invoice and arrange payment to you of the £1000 grant. Payments will be made before March 27.

Part 2: Becoming a Designated Prescribing Practitioner (DPP)

Funding is available if you train or have trained 2 Pharmacists who are able to fulfil the DPP role. As evidence, the two selected pharmacists will need to complete this form by 29 Dec 26.

Following submission:

The Training Hub Advanced Practice team will check your self-declaration and make contact where necessary to follow up any queries. Details will be provided for you to raise your invoice and arrange payment to you of the £1000 grant. Payments will be made before March 27.
